Thro' The President,
I Class Bench of Magistrates of Mangalore.

Humble Memorial of P. J. Soqueira, Officiating Head - Clerk, I Class Bench Court, Mangalore.

Dated. Mangalore, the 25th April 1930.

The memorialist begs to submit as follows:-

He completed only 12 years date of birth is 24-4-1908 / p 3 ante

1. That the memorialist at the age of 19 joined the Army as a Combatant on 1st October 1917. The regiment in which he served formed a part of the Egyptian Expeditionary Force. The memorialist served in that regiment for 2 years 8 months and 16 days and on being demobilized joi the Supply and Transport Corps as a clerk on Rs.75/- and went to - Mesopotamia. He was thence transferred to the Command Pay Office, Baghdad and served there for about 1½ years. When he was again demobilized he was as a clerk drawing a monthly salary of Rs.170/- and allowances amounting to Rs.45/- P.M.

2. That the memorialist begs to submit that the above fact will convince the authorities how the memorialist by dint of labour rose in that department and though he is an unpassed clerk he was considered capable and intelligent - enough to perform the onerous duties of a clerk on a salary of Rs.170/- per mensem.

3. That on returning from military service, the Collector of South Kanara was good enough to give him a clerk's post on Rs.35/- which he took up on 29.7.1923.

4. That as there was then some technical difficulty to confirm the memorialist, the Collector moved the Board of Revenue in the matter, and the Board in its Proceedings - Misc. No. 1508 dated 14th July 1925 permanently exempted the

p 14 infra

memorialist

memorialist from the examination rules. In the same proceedings it was further ordered that the question of increment in the grade of Rs. 35-1½-50-1-60, depends upon the ability, industry and drafting capacity of the memorialist and that the Board may be moved again in the matter.

5. That the memorialist joined the Army as a combatant long before Armistice; that combatants, non-combatants and even others have been specially permitted to draw increments and that as an ex-military man and that too a combatant, he submits, he deserves special facilities.

6. That clerks of his grade who have worked in the Bench Court of Mangalore draw their increments, and that the permanent Head Clerk who is on other duty now draws Rs.45/8/-

7. That the other clerks who joined the Government service along with the memorialist and even after that, draw their increments and the memorialist alone though he is an Ex-military man - a combatant - deserving increment and preferential treatment at the hands of the benign Government, has been debarred from such facilities. As a result, he at present suffers a loss of Rs.7/8/- per month and this loss will go on increasing year after year in case he is not permitted to draw increments atleast from the date of his first exemption referred to in para 4.

8. The memorialist therefore most humbly prays that his case may be taken into kind consideration and he-

(a) he may be allowed to rise in the time scale of pay, and

(b) as he counts more than 6½ years continuous service, as a special and pitiable case, the exemption may be ordered to have retrospective effect - atleast from the date of confirmation - to entitle him to account for increment from that day as under the present rules he shall have to wait for 2 more years after exemption to draw the first increment.

The true copies of the Military L.P.C and Boards order referred to para 4. are submitted herewith.

4.	Educational Qualifications.	Studied up to V Form.
5.	Rule or sub rule from which exemption is requested.	Exemption to draw increment up to Rs.60 in the scale of Rs.35-1½-50-60 and permission to account for increment from the date of confirmation.(30.9.26)
6. & 7.	The post in which it is proposed to employ him.- Duration of the appointment.	The applicant is a permanent Government servant of the Revenue Department and attached to the Office of the I Class Bench of Magistrates of Mangalore.
8.	The sanctioned scale.	Rs.35-1½-50-1-60.
9.	What steps have been taken to procure the services of a passed candidate.	The applicant was appointed on 29.7.23 to hold the post of a clerk in Govt. service in the grade of Rs.35-60 in virtue of the services rendered by him during the Great War as a combatant.
10. & 11.	Scale of pay which it is proposed to give the applicant. Period for which exemption is now sought.	Exemption to draw increment in the grade of Rs.35-1½-50-1-60 and permission to count for such increments from the date of confirmation in Government service (30.9.1926)
12.	Is this the first application	The applicant was first exempted by the Board of Revenue to hold a clerk's post. (vide:- B.P.,Mis.No.1508 dated 14th July 1925 - copy appended) As regards the question of increments in the grade of Rs.35-60, it was ordered in the same proceedings, that the Collector may move the Board again in case the clerk is found deserving.
13.	If candidate in Government service, the period for which so employed.	The applicant was first employed in the Government service as a clerk of the Mangalore Taluk Office on 29.7.23. There was a small break in the middle and he was again employed in the same office on 31.10.23 and since then continues to serve. On 8.4.24 he was transferred to this office and was confirmed in the Revenue Department as a clerk on 30.9.26. He was exempted from the Age Bar Rules in B.P.6198/26 dated 4.12.26. Extract from the service Register is enclosed.
14.	Applicant's Military Service.	The clerk joined the Army on 1st October 1917 - long before the Armistice - as a Sowar (combatant in Cavalry) at the age

P.T.O

the age of 18, [illegible] and served in that Regiment for 2 years 8 months and 16 days. He has also served in the office of the Supply & Transport Corps Baghdad for a period over 6 months and the certificate granted to him by Major Reckitt Dy.Asst.Director of Transport, General Head Quarters, M.E.Force, shows that the clerk was a good and effecient worker and carried out his duties in a trustworthy and efficient manner.

His last military service was in the office of the Command Paymaster, Baghdad, and the L.P.C. granted to him shows that he was drawing a salary of Rs.170 p.m. and allowances amounting to Rs.45/- p.m.

The discharge certificate, certificate granted to him by Major Reckitt and the Last Pay Certificate referred to above (all on original) are appended.

15. Full reasons for recommending exemption:

The applicant counts 6½ years continous service. He was confirmed on 30.9.26. He is now acting as Head Clerk of this office. The scale sanctioned by Government for clerks attached to this office is Rs.35-1½-50-1-60. The permanent Head Clerk of this Office who is on other duty now draws Rs.45/8/- and even the clerks who were appointed after the applicant's confirmation in Government service draw their increments.

Under the present rules even an acting clerk is allowed to draw increments. The applicant counts continous service since 31.10.23. He being an Ex-Military man, he is entitled to some preferential treatment. If he had been exempted at the time of his appointment (31.10.23) he would have now drawn Rs.42/8/- and hence now loses Rs.7/8/- per month.

According to Board's Proceedings.Mis.No.1508 dated 14th July 1925, the question of increments depends on the clerk's ability, industry and drafting capacity. Throughout his 6 years service in this office I have found him obedient industrious and capable worker. He is above the average School Final Candidate and his drafting capacity is good.

I therefore recommend that applicant for an exemption to rise in the time scale of pay and permission to draw Rs.39/8/- from the date of such exemption.
